November Already?! What Happened to the summer? I guess time flies when you're having fun. Like all the fun we had at the annual Labor Day Rally. I hope you're all out there able to enjoy the final days of warm riding weather before the weather turns to the cold and blustery days of winter.

Personally, it's been very eventful these past several months with a number of ABATE related activities. One great event was the Mid-South MILE in Springfield, Mo. Thank you to everyone who attended the MILE, we had great representation. If you didn't make it, I hope to see you there next year or at one of the many ABATE of Kansas events held around the state.

Finally, I would like to wish all of our ABATE of Kansas brothers and sisters a very Happy Thanksgiving. We all have a great deal to be thankful for, we live in the greatest country in the world and we have the freedom of the ride. I'm thankful to all of the ABATE of Kansas members, your participation helps ensure we keep those freedoms we are so thankful to have.

Until next time.

Ride Free, Ride Safe and Enjoy the Freedom of the Ride

REPORT NOT RECEIVED

Lobbyist Report

As we get closer to November, I want to remind everyone to exercise their right to vote. If you wish for change this is the way to make it happen.

Several of us are still communicating on a weekly schedule with our federal legislators to urge them to sign onto HR 906 The Right to Repair Act. At this point, we do not have a single Kansas congressman/congresswoman to sign on yet. Please take time to contact your personal congressman/congresswoman and ask them to please sign onto HR 906, The Right to Repair Act. The Right To Repair Act goes further than just motorcycles. Small shops, farmers, mechanics, and many more will be affected.

The MRF Meeting of the Minds - Myself, Tammy WR., and Bill C. have returned from Harrisburg Pa. after attending the conference. There were many good seminars. Bridging the gap was a good one which helped SMROS, MC clubs and independent riders to work together for the common goal

of retaining and promoting good motorcycle legislation and statutes at the state and federal levels. The MRF also set its priorities and goals for 2024. Also was a class on how to be better prepared to talk and communicate with your personal legislator at the State and Federal level. On Saturday evening the Meeting of The Minds wrapped up with a great Banquet, Auction, and awards presentation. Next year's Meeting of The Minds will be in St Louis MO.

Next year's state legislative year is fast approaching. It is the second year of a two-year legislature. We are gearing up to be ready. Please reach out with your thoughts and concerns.

Respectfully

Tony Railsback
ABATE of Kansas
V.P. / Lobbyist

On September 18th Tammy and Tony Railsback and I were off to the 39th Annual Meeting of the Minds in Harrisburg Pennsylvania. Tammy is our Corporate secretary and Tony is our V.P. and Lobbyist for Abate of Kansas. We arrived in Harrisburg Pennsylvania on September 20th and Tammy went to work helping Fred and Paulette with MRF business. Tony and I met with Jimbo who is the state rep. for the Coalition of Clubs for Kansas. Jimbo actually rode his motorcycle to the event which is proof Kansans aren't all sane.

On September 20th Tony and Jimbo and I went to Gettysburg where we visited the National Battlefield where Abraham Lincoln gave the Gettysburg Address.

On Thursday we went to the meet and greet by Dave Dwyer

On Friday we went to the general session and after lunch we split up because the MRF has 4 breakout sessions. I attended SMRO a cookbook for your organization presented by Bob Stoner and Aaron Myers. After this in the afternoon I went to the Reps Breakout presented by Gary Goracke.

On Saturday I attended the general session and after lunch MRF A and E put on by Ron Braaksma.

After that I attended Reps Breakout 2.

Saturday night we attended the awards and banquet.

Sunday we were off to Kansas and arrived home on Tuesday. What a trip.

I would like to thank all who helped make this happen.

Bill Cooper Kansas MRF rep.

On October 15, 2023, the ABATE of Kansas District 1 Meeting was held at the Joint in Perry. The meeting was called to order by Bill at 1:05 PM with the Pledge of Allegiance and A Moment of Silence for Fallen Brothers and Sisters; there were fourteen members present.

Decatur, Graham, Norton, Osborne,
Phillips, Rooks, Sheridan, Smith

District Rep Larry Kibbee
785-623-0420

The October 15th ABATE of Kansas District 2 meeting was held in Norton.

After the Pledge of Allegiance and a moment of silence for lost brothers and sisters, the meeting started.

Secretary's and treasurer's report were given. Both were accepted.

Larry gave the state report. Check the state report for more details. But here are several items of interest.

Life memberships are going from \$300 to \$400. However this will take several months to happen. If you were thinking life membership, buying one now could save you some money.

The state is looking for ideas for the 49th (2024) Labor Day rally raffle. Since they have held several gun raffles they are leaning toward something motorcycle related. See what you can come up with. With that being said the raffle for the 50th (2025) is already set. It's a Henry rifle that is going to be engraved to commemorate the 50th anniversary. Tickets are already priced. 1500 tickets, \$5 each, 5 for \$20 or 30 for \$100.

We got our election results it's no surprise that the results are; Larry Kibbee district rep. Peggy Littrell secretary, and Bear treasurer.

It was reported that 6 awareness sign panels have been made. We will now get them mounted on frames and ready to become signs.

On January 13th after hosting the meeting we will hold our casino night. We are looking for a couple items to auction

for actual real money. We can also use white elephant gifts to auction with the funny money we use in the games.

Future meetings: Brace yourself we actually have 4 months of locations

November 12th the meeting is at Wayne Sanders in Phillipsburg. His house is the only house west of the water tower it's at 1585 Prospect. Go 7 blocks north of highway 36 on 2nd Street and look west. You'll see the water tower. You're on your own from there.

The December meeting is on the 10th at Deb Sanders, Phillipsburg. Her house is the first house west of the water tower.

January meeting after the state meeting, it is on the 13th. It will be held at the Bullseye Event Center in Norton.

The February meeting will be on the 11th at 183 Lanes in Stockton.

Guess that's it for this go around. Come to the meeting you just maybe have an idea we can use.

The ABATE of Kansas District 3 meeting came to order at 1:00. 22 members were in attendance. There was no secretary's report. Financial report was given by Kitty. Chuck motioned to accept the financial report, John second that and all agreed. There was not anything from the state report that needed to be reported.

Old business: Flag money is due. Toy run hoodie money is due today as well. Positions for election are Rep. Kitty and Russel, Secretary nomination was Arlene only, and Sergeant at Arms was Dustin only. Ballots will be picked up by Jamon and counted in front of the members at the back of the room so that everything is transparent and there are no discrepancies. There was some discussion as to why the state would not be there to help count. There was also some discussion as to who would count ballots. Steve made a motion to get the elders together to count ballots. There was never a second to the motion. The Mid-South Mile is the 20th -22nd of October. Neewollah has received our application and it has been approved. Get any candy donations to Kitty. Trunk-or-Treat will be downtown Independence on the 31st from 6-7:30. If anyone would like to help with candy, cash, or helping pass out the candy, get with Kitty. Steve mentioned that we donate to Independence High a monetary donation to get our name on the scoreboard. There is an event in Crawford County that whatever we donate, would go to scholarships for kids. Steve motioned that we donate the money to the Kolter DeLante horseshoe tournament in Walnut

and Sledge second the motion. The motion passed.

New Business: It was on the agenda that there needs to have a rally committee meeting but there were not enough members there to hold a meeting. Artwork is due for the shirt design as soon as possible. CJ is currently working on the bands. Get to Arlene for the flyer. There was discussion at the last meeting about the district wide poker run, but that is still up for discussion. Next year's calendar for events and meeting locations need to be brought to the next meeting. There were a few places discussed, but nothing was decided upon. There are a lot of toy runs coming up, and Kitty is posting them as she gets them on the Members Only page. Ours is November 25th in Independence. As far as community outreach, the Community Access Center had approached Christi and asked for some help from A.B.A.T.E. to help ride and escort with the Veteran's Day event coming up called Eyes of Freedom on November 8th. There was discussion about the Cherryvale Christmas parade as well.

Next month's meeting will be on the 5th at the Erie Legion at 1p.m.. New members in the house were Mike and Holly, and Eric returning. Big Welcome! The 50/50 drawing went to Shana and it was donated back to the Downed Bikers Fund. There was a motion to adjourn by Shawn and it was second by Sledge. All were in favor.

The ABATE of Kansas District 4 October meeting was held on the 8th at the 4-Corners Restaurant at Hwy 75 and Hwy 56. RC called the meeting to order at 1:40 PM. There were 11 members and guests present. We were supposed to meet at the Scranton Tavern, and had confirmed it earlier this week. We arrived there just after noon, but no one was there to open. At about 1:15 we decided to go elsewhere, so went down the road to 4-Corners.

Secretary's Report: The September 10th minutes are in the newsletter.

Treasurer's Report: Will know more about the status of our finances after the State Board meeting on the 14th.

State Report: No report as the October meeting is next Saturday the 14th.

AMA/MRF Report: Please read the MRF report in the newsletter. Join the MRF and the AMA to support advocacy efforts in Washington. If you join the MRF and the AMA you'll get emails that provide an opportunity to send a letter to your representatives to support bills like H.R. 906, which is a bill to guarantee the right to repair your own vehicle, motorcycle or automobile.

Old Business: Motorcycle lift raffle. Tickets are available, we need to get them sold. We were at Harley last Saturday and Frank will be there this Saturday. RC will be at the state meeting so someone would need to pick Karen up.

LDR: RC talked about last month's state meeting and the positive feedback the District

received. The vendors that were around our beverage garden also provided feedback that they would like to be around us next year. We likely will be on the other end of a tent with District 1 next year, and the vendors will move as well. There is discussion about getting a headliner for the 50th Anniversary.

Papan's Landing Senior Center Fundraiser: It will be at The Woodshed on October 13th, from 6 to 9 PM. They are having a bike show, food, a cash bar, a raffle, and music by The Who Dat Band. Bring your bike and come help support Papan's Landing.

American Legion Post 400 Auction will be on October 21st at the Post. Free will donation for breakfast at 8, auction at 10. There are many Harley parts and automotive tools that were donated by a long time motorcyclist in Topeka.

New Business: 2023 Toys For Tots Ride: We need t-shirt designs asap and also review how many of each size we ordered and sold last year so we know how many to order. Steve will contact TPD on the route and we need to confirm starting at Walmart on 37th St. as we have done the past few years and ending at either The Woodshed or American Legion Post 400. At the end of the ride last year the Woodshed committed to having it end there again, so that was what we agreed to. RC has talked with Cpl. Patterson at the Marines about this year's Toys for Tots Coordinator, to help them get boxes out. We discussed places

we could boxes out.

Veterans Day Parade: Will work with Post 400, who will have at least one and maybe two trailers with displays.

Christmas Party: We discussed options. Debbie emphasized that if we rent a place it needs to be inexpensive as our financial situation is not good.

Other: Karen moved that we have the October meetings at 4-Corners in the future. It was seconded and approved.

Upcoming Events: Papan's

Landing Senior Center fundraiser: Bike show, food, cash bar, raffle, and the Who Dat Band at The Woodshed on October 13th from 6-9 PM.

The October ABATE of Kansas District 5 Meeting took place at noon on Saturday, October 7th at Big D's on the Hill in Kansas City, KS. Tony called the meeting to order. All stood for the Pledge of Allegiance,

followed by a moment of silence.

Treasurer's Report: Tony reported. The accounts and numbers are in good standing.

Sergeant at Arms Report: Tank reported on those present.

Membership Report:

Tony reported on the district membership numbers.

Secretary's Report: James offered to go over the topics from the last District 5 Meeting. It was decided to wave the reading of the minutes. The last District 5 Meeting was a really short meeting prior to the bike games at the Labor Day Rally. It was mostly discussion in preparation for the games.

Product Line Report: Tony stated there are still district products, such as t-shirts, tank tops and Look Twice License Plates available.

State Report: The Labor Day Rally went well. There was talk about the shower trailer at the rally. Everyone seemed to really like the new setup for the showers. It works well for ABATE, and is cost effective. The State 50/50 goes to the rally grounds road improvement. The 50/50 can be accessed on the state website: abateks.org. Read the State Meeting Report in the newsletter for more about the State Meeting.

Legislative Report: The Meeting of the Minds was a couple of weeks ago in Harrisburg, PA.

There are 40 some sponsors on H.B. 906 - Right to Repair Act; so it's good to have some movement on that. Meeting of the Minds next year will be a little closer to us, in St. Louis, MO. High priority objectives: autonomous vehicles. Victims should have a right to event records from autonomous vehicles. Also, definition of motorcycle hasn't been fully established in every state.

Old Business: Mid-South M.I.L.E. needs donations for the basket. Requesting things that are Kansas themed. Bud made a motion for the district to donate four license plates and two shirts for the basket. Kim seconded the motion. All were in favor, no opposed and the motion passed.

Donations are needed for the End of Year Party door prizes. Contact a board member if you have anything, or know of a sponsor who would like to donate anything for the End of Year Party.

New Business: District 5 will be at the Antique Motorcycle Show in Lawrence on February 4th, in Lawrence, KS at the fairgrounds.

There was discussion about District 5 considering a place for an event for Motorcycle Awareness Month.

Prior to, and during the District 5 Bike Games and bike show at the Labor Day Rally this year, we had a problem with mis-matched canopy tents with no back. This allowed random people walking through where product and other stuff is stored, among causing confusion at times. It was brought up to look into purchasing a large single canopy with a back on it. Angela made a motion to purchase a 10X20 canopy with sides. Kim seconded. There was no opposed, and the motion passed.

Open Discussion: Bud made a motion for a donation to Steel Horses, via Michelle to go to Hurst Building for Battered Women. Beth seconded the motion. No one opposed and the motion passed.

District 5 will also continue to be members of the Leavenworth Road Association.

Lastly, there was some discussion about District 5 putting together another motorcycle swap meet like the district used to have annually. There will be more discussion on this in the future.

A motion was made to adjourn. The motion was seconded and passed. Meeting was adjourned.

State Report: Treasurer's report from LDR will not be provided until next month. Lots of renewal and new memberships received at the rally - ran out of RV passes. The shower house was a big success. Tents for the rally will stay on site in a trailer from now on. A motion was made to increase the price on ice bags and that motion was denied. A stage storage container was stolen Saturday night as well as a couple large Abate coolers. A motion was made and approved to replace the storage container. Tony Railsback will get with Rusty about a question he has on how he handles his raffles. From now on the district meeting notes should start with date, time, and location of the meeting.

The State will raffle a Henry rifle (357 cal) for the 50th anniversary. 1500 tickets will be sold - several options for purchasing tickets. The rifle will be engraved with the State logo on one side and 50th anniversary on the other side. Discussion held on MRF notes. District 11 to donate funds for Mid South Mile since we have no members attending. State is making a donation to CMA for working the front gate at LDR. State is making a donation to fire department for their support at LDR. Frequently Asked Questions

Can I wear a helmet and be a member?

Yes, ABATE strives to ensure all motorcyclists reserve the right to choose to wear a helmet or not. ABATE's stance is not Anti-Helmet, but rather Anti-Helmet Law. The factors of helmet use are too complex for a simple statistic, so ABATE believes, before government law needlessly endanger lives, that such a decision should be left to the rider, and pursue other venues of motorcycle safety--primarily education and awareness.

Do I need to be a Harley owner?

No, ABATE is an advocate for the rights of all motorcyclists, regardless of what or where they ride.

Do I need to own a motorcycle?

No, ABATE consists of all advocates of motorcyclists and motorcycling. The rights of which may be supported by anyone who cares, and are welcome to do so.

Do I have to live in Kansas?

No, ABATE of Kansas has many non-Kansas-resident members who still ride in Kansas. ABATE of Kansas does not believe the rights of motorcyclists stop at the state borderline. ABATE of Kansas works with other state and national Motorcycle Rights Organizations (MROs) to preserve rights wherever the road leads.

Is ABATE a motorcycle club?

No, ABATE of Kansas is classified as a lobbying organization.

Which District can I belong to?

You can belong to any district you prefer. Districts are divided by county groups, except District 20 which is mostly out-of-state

members, however also choose districts adjacent to their state, if preferred. You may choose any district based on where you work, live, or have social ties. The only restriction is that you can only belong to one district at a time.

Why did I stop getting a newsletter?

Chances are most likely you have either moved or your membership has expired. Please check with your district or the ABATE of Kansas State office. It may also be you are not listed with your local post office. Please check with them to make sure you are listed at that address.

Do I need my ABATE card?

Yes, keep your membership card with you when you can. At events, it's faster and more reliable than roster checking. Also, many of your stops may give discounts for ABATE members.

Is ABATE just about helmets?

No, ABATE monitors all bills, laws, and regs that impact motorcycling, including manufacturing, operation, environment and education.

Do I need a permit to camp on leased area at Lake Perry?

Yes, permits are required by the Corp of Engineers which are requested and obtained from the ABATE of Kansas State office in Perry, the only exception being if you plan to camp during the Labor Day Rally event.

A.B.A.T.E. Lawyer Referral Service

At the State BOD meeting on February 13, 2021, the board voted unanimously to start a Lawyer Referral Service. Lawyers participating in the A.B.A.T.E. of Kansas Lawyer Referral Service will pay 10% of their fees from any injury claim to A.B.A.T.E. of Kansas in turn, referral fees received by the A.B.A.T.E. of Kansas Lawyer Referral Service will be used to fund the Mission of the organization.

While the goal is to always keep two wheels down, we all have experienced other motorists not keeping a lookout for motorcycles, turning in front of us, or driving while distracted. The Referral Service will ensure that attorneys participating in the program support the Mission of A.B.A.T.E. of Kansas, are motorcycle riders who are highly experienced in representing motorcyclists in Kansas, and understand the unique legal and insurance issues surrounding motorcyclists.

All injury claims - motorcycle, car, truck, semi, dangerous product, dangerous premises, etc. - qualify for the service. Additionally, in an effort to make sure that members have adequate insurance, lawyers participating in the referral service will be available to review insurance policies and coverages on members' policies at no cost.

To refer an injury claim, please contact Lori Harden or Tammy Ward-Railsback.

A.B.A.T.E. of Kansas, Inc., is a Kansas not-for-profit corporation.
